

Youth Sports Prospective Coach Registration Form

Thank you for your interest in becoming a Youth Sports Coach. Selection of coaches is the responsibility of the Youth Sports Director and will be made based on the needs of the program. After completing this form documenting your interest in a particular sport and/or age group, you must also complete the requirement for an annual background check. The background check packet is to be completed at the CYS Central Registration office, Bldg 5700, Room 130 with our Outreach Service Director (255-2958). Background checks may take 4-6 weeks to complete. Satisfactory results from MP, CID, ASAP, and FAP must be returned prior to a clearance being granted for coaches. Under some circumstances, the CYS Coordinator may grant approval for a prospective coach to perform the duties of a volunteer coach prior to return of all background checks, as long as they are always in Line of Sight Supervision by Youth Sports Staff when working with children and youth. Once your background check packet is completed, you will be informed of your results via telephone calls from the Outreach Services Director. Outreach Services Director will also keep Youth Sports staff (255-9105) informed of your status. Should any derogatory information be returned, you may be called to see if you want to go before the CYS Program Review Board which will recommend to the Garrison Commander, as appropriate, the suitability of the volunteer coach. In this case, the final suitability decision will be made by the Garrison Commander.

Volunteer coaches are required to complete training in order to be certified by the National Association of Youth Sports (NAYS). Training clinics are provided by Youth Sports staff. Satisfactory background checks are a pre-requisite for NAYS certification.

Per Fee Policy Guidance the coaches' discount (CD) for volunteer official head coaches' children participating in the same team sport in a given season will be as follows: first child will be free and additional children will pay 50% of the team sports fee.

I understand the process for becoming a Youth Sports Coach and I am interested in being considered for either the Head Coach or Assistant Coach as I have indicated below.
