Sessions with the Instructor

Music & More

May 2010

Extend your child's natural abilities! Benefits include discipline, endurance, longer attention spans, valuable memorization skills, and greater academic success.

It's never too late to learn to start lessons. Don't hesitate - learn to play the instrument of your choice!

All lessons currently meet once a week Mon. - Sat....Call today for a 30 minute instructional lesson. Childs Individual class will be assigned when you call to ENROLL for a class.
