

School Year 2010-2011 School Bus Schedule for Students Living On Post.

Students riding buses to off-post schools should be at the bus stop by 6:45 for the first week.

Buses for Ft. Rucker Elementary School and Primary School are marked Bragg Lines or no marking. The on-post Primary and Elementary Schools use the same buses, however, the buses begin their routes 45 minutes earlier for the Elementary School than they do for the Primary School.

On-post elementary school students should be at the bus stops by 6:55 the first few days. Primary school students should be at the bus stop by 7:35. Pre K students and parents should be at the bus stop by 7:45. These times will probably be modified after the first week of school.

School will start on-post on **6 August 2010**

Off-Post Schools

Off-post school buses have the name of the school system and the bus number on the side of the bus.

Daleville City Schools

Red Cloud Road only bus # 08-07
Youth Center, Army Lodging and other locations on post 08-02

School will start on **9 August 2010**

Enterprise City Schools

High School Students 02-58
Enterprise Junior High 07-08
Enterprise Junior High 06-06
Coppinville all other locations 09-25

School will not start in Enterprise until **23 August 2010**

Ozark City Schools

All on post locations 03-803

School starts on **6 August 2010**

If more buses are needed, they will be assigned. It will really help if parents who are registering their children in a school system for the first time, ask about and sign up for school busing if needed when they register.
